The Company has received from Mr. Ng his annual confirmation of independence pursuant to Rule 3.13 of the Listing Rules and considers that Mr. Ng is independent.

This is the explanatory statement to provide requisite information to you for your consideration of the Repurchase Proposal, as required by the relevant rules set out in the Listing Rules to regulate the repurchase by companies with primary listings on the Stock Exchange of their own securities on the Stock Exchange. The Ordinary Shares and the 2011 Warrants are listed on the Stock Exchange.

1. SHARE CAPITAL

As at the Latest Practicable Date, there were 2,391,762,691 Ordinary Shares in issue and outstanding 2011 Warrants attaching subscription rights in an aggregate amount of HK\$303,195,449.90 to subscribe for a total number of 303,195,449 new Ordinary Shares at the adjusted subscription price of HK\$1.00 per share (subject to adjustment).

Subject to the passing of the Ordinary Resolution 5(A) as set out in the Notice of 2010 AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 239,176,269 Ordinary Shares and 2011 Warrants attaching subscription rights in an aggregate amount of HK\$30,319,544.00, on the assumption that there will be no variation in the issued Ordinary Shares and the outstanding 2011 Warrants during the period up to 9th June, 2010. The aggregate nominal amounts of Ordinary Shares and 2011 Warrants which may be repurchased under the Repurchase Mandate will not exceed 10% of those of the issued Ordinary Shares and the outstanding 2011 Warrants, respectively, at the date of the 2010 AGM.

The Repurchase Mandate will be valid for the period from the date of passing the Ordinary Resolution 5(A) until whichever is the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting is required by the Bye-laws or the Companies Act or any other applicable law of Bermuda to be held; and (iii) the revocation or variation of the authority given under the Ordinary Resolution 5(A) by an ordinary resolution of Shareholders in general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Proposal is in the interests of the Company and its Shareholders. Such purchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per share or may otherwise be in the interests of the Company, and will only be made when the Directors believe that such purchases will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

Pursuant to the Repurchase Mandate, repurchases would be funded entirely from the Company's funds legally available for the purpose in accordance with the Company's Memorandum of Association and Bye-laws and the laws of Bermuda. Any securities repurchased under the Repurchase Mandate must be funded out of the capital paid up on the repurchased securities or the funds of the Company which would otherwise be available for dividend or distribution, or out of the proceeds of a fresh issue of shares. Any premium payable on the repurchase must be provided for out of the funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account.

It is not expected that there would be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the 2009 Annual Report) even if the proposed repurchases were to be carried out in full at any time during the proposed repurchase period. Nevertheless, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARE AND WARRANT PRICES

The highest and lowest prices at which the Ordinary Shares and the 2011 Warrants have traded on the Stock Exchange, respectively, in each of the previous twelve months and in April 2010 (up to the Latest Practicable Date) were as follows:

	Ordinary Shares		2011 Warrants ^(Note)

From 1st April, 2010 to the Latest Practicable Date	0.650	0.600	0.034	0.022

Note: The 2011 Warrants are traded in board lots of 50,000 units carrying aggregate subscription rights of HK\$5,000.

5. DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates have any present intention to sell any Ordinary Shares or 2011 Warrants to the Company under the Repurchase Proposal if such is approved by the Shareholders. No other connected persons of the Company have notified the Company that they have a present intention to sell Ordinary Shares or 2011 Warrants to the Company, or have undertaken not to do so, in the event that the Repurchase Proposal is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Ordinary Resolution 5(A) in accordance with the Listing Rules and the laws of Bermuda.

As at the Latest Practicable Date, Mr. Lo Yuk Sui, being the Chairman and controlling shareholder of the Company, held approximately 50.25% shareholding interests in the issued ordinary share capital of the Company. In the event that the Repurchase Mandate granted to the Directors pursuant to the Repurchase Proposal were to be carried out in full, the shareholding interests of Mr. Lo Yuk Sui in the Company would increase to approximately 55.83% of the issued ordinary share capital of the Company, assuming there are no other changes in the capital structure of the Company. Based on information known to date, the Directors are not aware of any consequences which may arise under the Takeover Code even if the Repurchase Mandate granted to the Directors pursuant to the Repurchase Proposal were to be carried out in full. Nevertheless, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, trigger any potential consequences under the Takeover Code.

Furthermore, the Directors have no intention to exercise the Repurchase Mandate to such extent as would cause the public float to fall below 25% or such other minimum percentage as prescribed by the Listing Rules from the time to time.

6. SECURITIES PURCHASES MADE BY THE COMPANY

The Company has not purchased any of its Ordinary Shares and 2011 Warrants (whether on the Stock Exchange or otherwise) in the six months preceding the date of this circular.
