## **Century City Announces 2010 Final Results**

Century City International Holdings Limited (stock code: 355) announced today its final results for the year ended 31st December, 2010.

### **FINANCIAL RESULTS**

For the year ended 31st December, 2010, the Group achieved a consolidated profit attributable to shareholders of HK\$1,287.1 million, as compared to the comparative profit of HK\$316.0 million attained in 2009.

The significant improvement in the profit achieved was mainly attributable to the increased share of profit from Regal Group, the listed associate of the Group, principally derived from the accounting profit recognised by Regal Group on the consolidation of Regal Real Estate Investment Trust as its subsidiary. Nevertheless, before accounting for the net contribution from Regal Group and other associates and the finance costs, the operating profit achieved by the Group for 2010 amounted to HK\$459.7 million, including fair value gains on the changes in the fair values of the financial assets, as compared with the corresponding amount of HK\$378.0 million attained last year.

### **DIVIDENDS**

Together with the interim dividend of HK0.4 cent (2009 – HK0.3 cent) per ordinary share paid in October 2010, total dividends per ordinary share for the year ended 31st December, 2010 will amount to HK2.0 cents, representing an increase of 81.8% over the final dividend of HK\$1.1 cents per ordinary share paid for the last financial year.

### **BUSINESS OVERVIEW**
